SKEMA is a global business school operating five different campuses around the world – three in France (Sophia Antipolis, Paris and Lille), Raleigh, North Carolina in the USA and Suzhou, near Shanghai, in China. SKEMA students have the opportunity to study at up to three campuses on three different continents to gain a truly global perspective.

ELS/SKEMA is located in the heart of the SKEMA campus in Sophia Antipolis. ELS students will have access to all facilities and services offered on-campus, as well as having access to dedicated ELS staff who are there to help and assist wherever needed.

ELS/SKEMA has well-appointed and climatized classrooms, most of them equipped with modern poly-vision smart-boards for interactive language learning. There is also a Language Technology Center (LTC), which students will not only use as part of the weekly curriculum, but which will also be open for additional language learning after class.

SKEMA Business School and ELS offer a global educational programme commencing in France. Taught in English!

Courses offered at ELS/SKEMA:
- English for Academic Purposes
- Semi-Intensive English
- Intensive Bachelor’s Preparation
- Pre-Master’s

For more than 50 years, ELS Educational Services has provided English language direct entry pathways for tens of thousands of students from around the globe. ELS Language Centers, located on university campuses worldwide, provide a unique and rigorous English preparation to help students to succeed in their studies and to qualify for exciting, international careers in today’s highly competitive, global job market.
The key advantages of SKEMA.

Choosing a university at which to study is one of the most important decisions of your life. Make the right choice and you will be on the fast track to career success. Below are just a few of the reasons why SKEMA merits your consideration:

1. **Strong academic reputation** - SKEMA features highly in the Financial Times’ European Business School, Master’s in Finance and Master’s in Management rankings.

2. **Choice** - Five Bachelor’s and 13 Master’s of Science programmes are taught 100% in English.

3. **Work experience** - Benefit from SKEMA’s close links with industry to gain valuable work experience through internships and/or research projects.*

4. **Employability** - over 95% of SKEMA graduates are employed within six months of graduation with 46% finding full-time employment before they graduate.

5. **International** - Bachelor’s degree students can study at up to three different SKEMA campuses on three different continents or, if they prefer, transfer to one of SKEMA’s carefully selected partner institutions for the final two years of their degree.

6. **Value for money** - SKEMA offers an outstanding business education at a very cost-effective price.

7. **Location** - Live and study on the French Riviera, known for its chic elegance, superb year-round climate and wonderful, fresh food.

* Internships are not available for all programs.

We look forward to welcoming you to SKEMA!

The Financial Times has ranked SKEMA as follows:

- **12th** in the world (2012 Master’s in Finance Pre-Experience rankings)
- **27th** in the world (2012 Master’s in Management rankings)
- **57th** (2011 European Business School rankings)

In compiling its rankings, the Financial Times places particular focus on the level of salaries achieved after graduation and therefore reflects the success of a business school and/or programme for preparing its students for the world of work.
